R.C.No. 1161 B/26, dated 27th July 1926.

Resubmitted with reference to Government endorsement No. 1709 A-1 dated 7th May 1926.

2. Out of the 43 schools for boys 21 are located in buildings belonging to the Board, 12 in rented buildings and the rest in rent free buildings. There is an inadequate supply of apparatus and educational appliances in the Board schools. The 4 Higher Elementary schools in the taluk require better equipment. In the case of ~~the~~ other schools, suitable pictures, charts and appliances have to be supplied. The equipment of 2 Muhammadan schools is reported to be very bad. 8 additional teachers require to be employed by the Board. The financial condition of the Elementary Education Fund under the control of the Board is only normal. There are nearly 12 school-less centres in the area under the jurisdiction of the Board.

As there are only 43 schools under the management of the Board, the President, Taluk Board's request is not supported.
